

Overview

Provide website visitors with an intuitive and organized way to browse news stories.

This month-based filtering system lets viewers easily find past updates without sifting through an overwhelming news list.

When Monthly Archives is enabled, it is available for all news categories.

How to Enable Monthly Archives

 Only website administrators can enable this option.

Go to Settings

Navigate to the **Settings** feature.

Locate the “Show Monthly Archives” Option

Go to the **News** tab and look for the option labeled “**Show Monthly Archives.**”

Set to “**Yes**” to display Monthly Archives on all news categories.

Remember to **Save**.

The screenshot shows the 'Settings' page for Rilo High School. On the left is a sidebar menu with options: General, Accessibility, Alumni Directory, Bulletin Board, Calendars, Classroom, Contact, Food Menu, Jobs, Links, Memoirs, News (highlighted with a red border), Pages, Payments, Photos, Push & Social, Security, SEO & Marketing, Social Accounts, Subscription Emails, and Supply Lists. The main content area is titled 'News' and contains several settings:

- Show Publish Date:** A dropdown menu set to 'No'.
- Show Monthly Archives:** A dropdown menu set to 'Yes'. This option is highlighted with a red border. Below it is the text: 'Allow visitors to filter stories by month using the side menu.'
- Show Social Network Sharing Buttons:** A dropdown menu set to 'No'. Below it is the text: 'If set to "Yes," Twitter and Facebook sharing buttons will be displayed with each news article.'
- News Category:** A dropdown menu set to '0: News & Announcements'. To its right is a button labeled 'Add News Category'.
- Number Of Homepage Items * :** A text input field containing the number '4'.

At the top right of the settings area is a blue 'Save' button. At the bottom of the page, it says 'Powered by edlio'.

View Monthly Archives on the Website

Visitors to your site will see a Monthly Archives menu for each news category.

Selecting a month shows the stories in that month.
